

THE LEGACY PROJECT OUTREACH PRESENTATION THE TESTIMONY OF THE TREE BY CASEY SCHUTROP

International

As the centerpiece of The Legacy Project, “The Testimony of the Tree” presentation unfolds an amazing discovery of our rich inheritance in Him. While Casey adorns a full-sized Christmas tree, we learn how the Lord adorns our lives with purpose and hope. While weaving within the Christmas story and the Gospel message, the makings of a relinquished life is realized, preparing us for the great commission and, finally, the crowning - our purpose. Fully decked and adorned, we stand as a testament proclaiming the beauty of the Lord to all, just like the tree. And with a surprise message of hope at the end, all are offered the greatest gift ever bore on a tree; the gift of Christ. The tree in the middle of our living room now has purpose in our traditions. Bringing hope for all, young and old. See <https://youtu.be/MLnjJISS0vw>

The book has now been inducted into Reverend Billy Graham's personal collection at the Billy Graham National Library.

“As an inheritance is given, it is a legacy we are to leave; yet not of our own name or accomplishments, but instead of the rich inheritance we have been given as God’s children. For what is the essence of Legacy, but hope.”
